GODEY'S LADY'S BOOK for September has been received. It is a handsome number, maintaining its well earned reputation, that of being the best Ladides' book extant. It eniovs a wide circulation, probably more extended than any other journal of the kind. It is published in Philadelphia by Louis A. Godey; terms \$3 per annum for single subscription. By club it can be had considerably cheaper.

On the first page of this week's edition can be seen a brief and truthful sketch of our heroic candidate for the Vice Presidency Col. JOSEPH LANE, of Oregon. The Col. would make, no doubt, most an excellent Vice President; he is a good statesman as well as a warrior of high standing. We ask for this sketch of Mr. Lane's life a careful and attentive perusal by every reader of the STAR.

DROWNED .- A little girl, aged two years and three months, was accidentally drowned in a rain barrel, at the residence of Mr. Heath, in this borough, on Monday morning of last week. The barrel was sunk in the ground and hence easily accessible to the child. The name of the unfortunate little victim was Eleanor Minerva, a daughter as the property of Isaac Tyler. of Jos. K. and Ada C. Norcross, of Philadelphia, who, with its mother, was paying a visit to this place .- Danville Democrat.

SCHSCRIBE.-How often do we hear men excuse themselves from subscribing to a J. Brower, on the north by an alley, and on paper or a periodical, by saying they have no time to read. When we hear a man thus excuse himself, we conclude that he has never found time to confer any substantial advantage either upon his family, his country, or himself. To hear a freeman thus express himself, is cruly humiliating, and we can form no other opinion than that such a man is of I tile importance to society.

Sewing Machine.

We were shown a few days since, by our townsman, Mr. HENRY ZUPPINGER, specimens of work, executed upon Raymond's Family Sewing Machine, which would compare laverably with any work ever exhibited to us. There has been a great deal of talk and speculation over the different patent sewing machines as to which is the best and the cheapest. We are frequently asked, "which is the best," "what machine would you buy ! We answer, it depends entirely upon the amount of money inten ded in its expenditure, and the purpose to log barn and other outbuildings, with the which the machine is to be applied. It for appurtenances. boots, barness making, tailoring, or almost any manufacturing purposes, Singer's is decidedly the best. For family use, if you stend paying from fifty to one hundred ollars, Wheeler & Wilson's is preferable. we would recommend Raymand's (for sale on the east by lot of Henry Stiner, on the Messrs. Zuppingen & Rosains, of this south by lot of Adam Shaner and on the place,) which is surprisingly simple in its construction, well adapted to family purposes generally, and operates with but slight frame dwelling houses, a frame stable and other outbuildings with the appurtenances.
